

OPEN POSITION:

PER DIEM SOCIAL WORKER

As needed during day time office hours

Non-exempt

Reports to: Director of Psychosocial Services

POSITION SUMMARY:

As a member of the interdisciplinary team, this position provides direct care to meet the psychosocial needs of terminally ill hospice patients and their families. The interdisciplinary team consists of registered nurses, other social workers, chaplains, physicians, and bereavement counselors. This position provides medical social work, including psychosocial assessment, intervention, and counseling. Social work staff also provides consultation and education regarding psychosocial care. Direct care primarily takes place within a patients' home, but may include residential settings such as skilled nursing facilities, assisted living facilities, and group homes. The primary assignment will be to facilitate enrollment of prospective patients in Hospice care by completion of psychosocial assessments and admission paperwork including consent for care and advance directives.

A successful candidate must have a Master's degree in Social Work and possess a valid professional license in Social Work issued by New York State. Candidates must excel in working with diverse communities and within a variety of settings. A valid New York State drivers' license and reliable transportation is also required.

MINIMUM EDUCATION:

Master's Degree in Social Work from an accredited college

A professional & valid NYS license in Social Work

MINIMUM EXPERIENCE:

Minimum of two years post-Masters clinical experience is required, and medical social work experience is preferred.

Knowledge of community resources is required.
